PUPIL ACCOMMODATION REVIEW GUIDELINE

March 2015

PREAMBLE

School boards are responsible for managing their school capital assets in an

All school board pupil accommodation review policies should be designed to align with these guiding principles.

IV. SCHOOL BOARD ACCOMMODATION REVIEW POLICIES

School boards are responsible for creating and implementing a policy to address pupil accommodation reviews to serve their local needs. The Ministry of Education expects school boards to consult with local communities prior to adopting or subsequently amending their pupil accommodation review policies.

All pupil accommodation review policies must be clear in stipulating that the final decision regarding the future of a school or group of schools rests solely with the Board of Trustees. If the Board of Trustees votes to close a school or schools in accordance with their policy, the school board must provide clear timelines regarding the closure(s) and ensure that a transition plan is communicated to all affected school communities within the school board.

It is important to note that this *Guideline* is intended as a **minimum** requirement for school boards in developing their policies. School boards are responsible for establishing and complying with their pupil accommodation review policies to serve their local needs.

A copy of the school board's pupil accommodation review policy, the government's *Pupil Accommodation Review Guideline* and the *Administrative Review of Accommodation Review Process* documents are to be made available to the public as determined in the school board's policy, and posted on the school board's website.

The *Guideline* recognizes that pupil accommodation reviews include a school or group of schools to facilitate the development of viable solutions for pupil accommodation that support the guiding principles.

School board pupil accommodation review policies will include statements that encourage the sharing of relevant information as well as providing the opportunity for the public and affected school communities to be heard.

The Ministry of Education recommends that, wherever possible, schools should only be subject to a pupil accommodation review once in a five-year period, unless there are circumstances determine04 Tc mb bt

by any relevant information obtained from local municipal governments and other community partners, which takes into consideration long-term enrolment projections and planning opportunities for the effective use of excess space in all area schools.

School boards must document their efforts to obtain information from local municipal governments as well as other community partners that expressed an interest prior to the pupil accommodation review; and provide any relevant information from municipalities and other community partners as part of the initial staff report (see Section VI).

VI. ESTABLISHING AN ACCOMMODATION REVIEW

School boards may proceed to establish a pupil accommodation review only after undertaking the necessary assessment of long-term capital and accommodation planning options

Initial Staff Report (see [Section VI](#))

and posted on the school board's website following the decision to proceed with a pupil accommodation review by the Board of Trustees.

School boards must ensure that individuals from the school(s) under review and the broader community are invited to participate in the pupil accommodation review consultation. At a minimum, the pupil accommodation review process must consist of the following methods of consultation:

- x Accommodation Review Committee (ARC) (see Section VII);
- x consultation with municipal governments local to the affected school(s) (see Section IX);
- x public meetings (see Section X); and
- x public delegations (see Section XI).

VII. THE ACCOMMODATION REVIEW COMMITTEE

Role

School boards must establish an ARC that represents the school(s) under reviewingtiewtatio

Formation

The ARC should be formed following the Board of Trustees' consideration of the initial staff report but prior to the first public meeting. The school board will invite ARC members from the school(s) under review to an orientation session that will describe the mandate, roles and responsibilities, and procedures of the ARC.

Terms of Reference

School boards will provide the ARC with Terms of Reference that describe the ARC's mandate. The mandate will refer to the school board's education and accommodation objectives in undertaking the ARC and reflect the school board's strategy for supporting student achievement and well-being.

The Terms of Reference will also clearly outline the school board's expectations of the roles and responsibilities of the ARC; and describe the procedures of the ARC. At a minimum, the ARC will provide feedback on the initial staff report option(s).

The Terms of Reference will outline the minimum number of working meetings of the ARC.

Meetings of the Accommodation Review Committee

The ARC will meet to review materials presented by school board staff. It is recommended that the ARC hold as many working meetings as is deemed necessary within the timelines established in their school board's pupil accommodation review policy.

VIII. SCHOOL INFORMATION PROFILE

School board staff are required to develop School Information Profiles (SIPs) as orientation documents to help the ARC and the community understand the context surrounding the decision to include the specific school(s) in a pupil accommodation review. The SIP provides an understanding of and familiarity with the facilities under review.

The SIP is expected to include data for each of the following two considerations about the school(s) under review:

- x value to the student; and
- x value to the school board.

A SIP will be completed by school board staff for each of the schools under review. The following are the minimum data requirements and factors that are to be included in the SIP:

x Facility Profile:

- o School name and address.
- o Site plan and floor plan(s) (or space template) of the school with the date of school construction and any subsequent additions.
- o School attendance area (boundary) map.
- o Context map (or air photo) of the school indicating the existing land uses surrounding the school.
- o Planning map of the school with zoning, Official Plan or secondary plan land use designations.
- o Size of the school site (acres or hectares).
- o Building area (square feet or square metres).
- o Number of portable classrooms.
- o Number and type of instructional rooms as well as specialized classroom teaching spaces (e.g., science lab, tech shop, gymnasium, etc.).
- o Area of hard surfaced outdoor play area and/or green space, the number of play fields, and the presence of outdoor facilities (e.g., tracks, courts for basketball, tennis, etc.).
- o Ten-year history of major facility improvements (item and cost).
- o Projected five-year facility renewal needs of school (item and cost).
- o Current Facility Condition Index (FCI) with a definition of what roes

them with advance notice of when the final public meeting is scheduled to take place.

School boards must document their efforts to meet with the affected single and upper-tier municipalities, as well as other community partners that expressed an interest prior to the pupil accommodation review; and provide any relevant information from this meeting as part of the final staff report to the Board of Trustees (see Section XI).

X. PUBLIC MEETINGS

Once a school board has received an initial staff report and has approved the initiation of a pupil accommodation review, the school board must arrange to hold a minimum of two public meetings for broader community consultation on the initial staff report. School board staff are expected to facilitate the public meetings to solicit broader community feedback on the recommended option(s) contained in the initial staff report.

The public meetings are to be announced and advertised publicly by the school board through an appropriate range of media as determined by the school board.

At a minimum, the first public meeting must include the following:

- x an overview of the ARC orientation session;
- x the initial staff report with recommended option(s); and
- x a presentation of the SIPs.

XI. COMPLETING THE ACCOMMODATION REVIEW

Final Staff Report

At the conclusion of the pupil accommodation review process, school board staff will submit a final staff report to the Board of Trustees which must be available to the public as determined in the school board's policy, and posted on the school board's website.

The final staff report must include a Community Consultation section that contains feedback from the ARC and any public consultations as well as any relevant information obtained from municipalities and other community partners prior to and during the pupil accommodation review.

School board staff may choose to amend their proposed option(s) included in the initial staff report. The recommended option(s) must also include a proposed accommodation plan, prepared for the decision of the Board of Trustees, which contains a timeline for implementation.

- x There must be no fewer than 10 business days between public delegations and the final decision of the Board of Trustees.

XIV. MODIFIED ACCOMMODATION REVIEW PROCESS

In certain circumstances, where the potential pupil accommodation options available are deemed by the school board to be less complex, school boards may find it appropriate to undertake a modified pupil accommodation review process. The *Guideline* permits a school board to include an optional modified pupil accommodation review process in its pupil accommodation review policy.

calculation is based on the enrolment at the time of the relocation, or the first phase of a relocation carried over a number of school years).

School boards may consider additional factors that are defined in their pupil accommodation review policy to qualify for the modified pupil accommodation review process. Multiple factors may be developed by the school board to appropriately reflect varying conditions across the board (e.g., urban, rural,

The Board of Trustees has the discretion to approve the recommendation(s) of the final staff report as presented, modify the recommendation(s) of the final staff report, or to approve a different outcome.
